Dear Parents/Guardians,

Assalamualikum,

We hope and pray that within the last days of Ramadan, Allah (swt) accepts our Duas and makes easy all our affairs. Ameen.

This letter is to inform you that some teachers have already completed teaching the curriculum and are currently reviewing the curriculum topics for the remainder of this month to prepare for exams. Those teachers who are still finishing the curriculum will be done by the end of May (whether it is online or back at school); then will be reviewing for exams at the beginning of June.

Exams will be some-time in June irrespective of whether we go back to school or not. If not, exams will be conducted online.

Please make sure your children complete their year-final assignments that were assigned to them during May to obtain good marks on their report card. As report cards will be given June 26th, 2020.

Eid holiday will be Friday, May 22nd, 2020 until Tuesday, May 26th, 2020.

Online school will resume Wednesday, May 27th, 2020.

Hope you have a wonderful Eid. Eid Mubarak!

Sincerely,

School Administration
